## PROFESSIONAL SUMMARY

---

Enthusiastic Front-End Web Developer eager to contribute to team success through hard work, attention to detail and excellent organisational skills. Motivated to learn, grow and excel in the tech industry. I have proven experience using HTML, CSS and JavaScript(React) to create beautiful, consumer-focused websites.

## WORK EXPERIENCE

---

### C.B Web Development

Jul. 2018 – Present

*Freelance Front-End Developer/ Owner, Remote*

- Coded beautiful, responsive websites from designs given and the clients needs. (PDF, Figma)
- Created user-oriented UI and features using front-end languages such as HTML, CSS, and Javascript(ReactJS) to increase site traffic.
- Researched new technologies, software packages, and hardware products for website projects.
- Successfully built and maintained long-term business relationships with clients from many industries. (Fitness, Hospitality sector etc.)

### Spar

Feb. 2011 – Jul. 2018

*Retail Manager, Dublin, Ireland*

- Completed daily stock ordering for the entire store while liaising with brand representatives. (PEPSICO, COCA-COLA, P&G etc.)
- Sourced, hired, and trained over 50 associates in order to build a team with superior product knowledge.
- In charge of store openings/store closings. (Key Holder)
