PROFESSIONAL SUMMARY

Enthusiastic Front-End Web Developer eager to contribute to team success through hard work, attention to detail and excellent organizational skills. Motivated to learn, grow and excel in the tech industry. I have proven experience using HTML, CSS and JavaScript/React to create beautiful, consumer-focused websites.

WORK EXPERIENCE

Upwork/Freelancer   **Jul. 2018 – Present**
Freelance Front End Developer, Remote
- Coded beautiful, responsive websites from designs given and the clients needs (PDF, Figma)
- Created user-oriented UI and features using front-end languages such as HTML, CSS, and Javascript(ReactJS) to increase site traffic.
- Researched new technologies, software packages, and hardware products for website projects.
- Occasionally created designs to meet specific needs, such as fast-loading websites with specific layouts.
- Tested websites and performed troubleshooting prior to deployment.

Uber Eats   **Feb. 2020 – Present**
Food Delivery, Toronto
- Complete on-time deliveries by selecting the best and most efficient routes.
- Consistently met promised delivery times by using GPS software to detect and avoid traffic delays.
- Reviewed routes and expected delivery times to determine the order of deliveries.
- Double-checked orders before completing deliveries to avoid customer complaints.

Spar   **Feb. 2011 – Jul. 2018**
Retail Manager, Dublin, Ireland
- Completed daily stock ordering for the entire store while liaising with brand representatives. (PEPSICO, COCA-COLA etc.)
- Sourced, hired, and trained over 50 associates in order to build a team with superior product knowledge.
- Reviewed cash and operations reports to effectively control store inventory.
- In charge of store openings or store closings. (Key Holder)
- Improved visual merchandising and promotional strategies to increase customer engagement and sales.
- Balanced tills at the end of shifts and banked takings in a safe manner.

PROJECTS
